Rebuilding Together Mountain Communities Home Sponsorship Form

Your \$1500 home sponsorship helps to provide materials for one of our Rebuilding Day Projects and gets you.....

- A sign with your business name on your home site 1 month prior to Rebuilding Day
- Opportunity to display one corporate banner at home site on day of event
- Opportunity to distribute one trademark item for event...ie...water bottles...
- Name recognition on event materials such as locally generated newspaper advertising, annual report, house sign.

We encourage you to bring a group of volunteers on Rebuilding Day (group sign-up sheet enclosed) and to talk about the Rebuilding Together mission at your place of business.

Rebuilding Together Mountain Communities is a non-profit organization that repairs the homes of low-income homeowners, especially the elderly, disabled, or families with children. We rely on donations of time and money from within our community.
